

Voya Fixed Account

The Voya Fixed Account is available through a group annuity or other type of contract issued by Voya Retirement Insurance and Annuity Company ("VRIAC" or the "Company"). The Voya Fixed Account is an obligation of VRIAC's general account which supports all of the Company's insurance and annuity commitments. All guarantees are based on the financial strength and claims-paying ability of VRIAC, which is solely responsible for all obligations under its contracts.

Asset Class: **Stability of Principal**

Important Information

This information should be read in conjunction with your contract prospectus, contract prospectus summary or disclosure booklet, as applicable. Please read them carefully before investing.

Voya Retirement Insurance and Annuity Company

One Orange Way
Windsor, CT 06095-4774
www.voyaretirementplans.com

Objective

Stability of principal is the primary objective of this investment option. The Voya Fixed Account guarantees minimum rates of interest and may credit interest that exceeds the guaranteed minimum rates. Daily credited interest becomes part of principal and the investment increases through compound interest. All amounts invested by your plan in the Voya Fixed Account receive the same credited rate. This is known as a portfolio method of interest rate crediting.

Key Features

The Voya Fixed Account is intended to be a long-term investment for participants seeking stability of principal. The assets supporting it are invested by VRIAC with this goal in mind. Therefore, VRIAC may impose restrictions on the ability to move funds into or out of this investment option or among investment options in general. These restrictions help VRIAC to provide stable credited interest rates which historically have not varied significantly from month to month despite the general market's volatility in new money interest rates.

Withdrawals from the Voya Fixed Account for reasons other than the payment of benefits to participants may be subject to a Market Value Adjustment ("MVA") and a surrender charge. Please refer to your contract prospectus, contract prospectus summary or disclosure booklet, as applicable, for more information.

Restrictions on Transfers from the Voya Fixed Account

Transfers from the Voya Fixed Account may be subject to either an "equity wash" or "percentage limitation" provision. Equity wash will apply on transfers from the Voya Fixed Account unless certain optional services are elected by the Contract Holder (as defined in the contract), which allow for the percentage limitation provision to be selected by the Contract Holder in lieu of equity wash. It is important that you understand these restrictions prior to making investment decisions and transacting your account. For more information regarding transfer restrictions applicable to your plan's investment options please contact the Customer Contact Center at (800) 584-6001.

Equity Wash Provision

For plans with no competing investment options (as defined below) in the investment line-up, transfers from the Voya Fixed Account can be made at any time without limitations or restrictions. However, if the plan does have competing investment options, then transfers from the Voya Fixed Account are allowed at any time from your participant account provided:

- The transfer is not directed into a competing investment option;
- A transfer into a competing investment option from any non-competing investment option has not occurred within 90 calendar days; and
- A partial surrender has not occurred within 90 calendar days.

Transfers into a competing investment option from another investment option are allowed at any time provided that no prior transfers from the Voya Fixed Account have occurred within 90 calendar days.

A "competing investment option" is defined as any investment option under the contract or other contract or investment program offered by the Company or its affiliates or other financial providers in connection with your plan which:

- Provides a direct or indirect guarantee of investment performance;
- Is, or may be, invested primarily in assets other than common or preferred stock;
- Is, or may be, invested primarily in financial vehicles, (such as mutual funds, trusts and insurance company contracts) which are invested in assets other than common or preferred stock;
- Is available through an account with a brokerage firm designated by the Company and made available by the Contract Holder as an additional investment option under the plan;
- Is a self-directed brokerage arrangement;
- Is any fund with similar characteristics to the above as reasonably determined by the Company; or
- Is any fund with a targeted duration of less than three years (e.g. money market funds).

Percentage Limitation Provision

Transfers are permitted from the Voya Fixed Account to any of the other investment options, but such transfers are limited by a percentage that may vary at our discretion. The percentage VRIAC permits you to transfer will never be less than 10% of the amount you have in the Voya Fixed Account on January 1 of a calendar year. VRIAC may allow a higher percentage. However, if for each of the four consecutive prior calendar years, you have annually transferred from the Voya Fixed Account the maximum amount allowed and have made no new contributions to the Voya Fixed Account within that period, the entire balance may be transferred regardless of the maximum percentage then allowed. Or, if your account has less than \$2,000 in the Voya Fixed Account, you may transfer the entire balance to another investment option.

Interest Rate Structure

The Voya Fixed Account guarantees principal and a guaranteed minimum interest rate ("GMIR") for the life of the

product as well as featuring two declared interest rates: a current rate, determined at least monthly, and a guaranteed minimum floor rate declared for a defined period - currently one calendar year. The guaranteed minimum floor rate may change after a defined period, but it will never be lower than the GMIR that applies for the life of the contract. The current rate, the guaranteed minimum floor rate and the GMIR are expressed as annual effective yields. Taking the effect of compounding into account, the interest credited to your account daily yields the then current credited rate.

VRIAC's determination of credited interest rates reflects a number of factors, which may include mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains and/or losses realized on the sale of invested assets. Under this option, VRIAC assumes the risk of investment gain or loss by guaranteeing the principal amount you allocate to this option and promising minimum interest rates during the accumulation period and also throughout the annuity payout period, if applicable.

The current rate to be credited under a contract may be higher than the guaranteed minimum floor rate and the GMIR and may be changed at any time, except that VRIAC will not apply a decrease to the current rate following a rate change initiated solely by us prior to the last day of the three-month period measured from the first day of the month in which such change was effective. The current rate for a plan's initial investment in the Voya Fixed Account may be in effect for less than a full three-month period.

Any insurance products, annuities and funding agreements that you may have purchased are issued by Voya Retirement Insurance and Annuity Company ("VRIAC"). VRIAC is solely responsible for meeting its obligations. Plan administrative services provided by VRIAC or Voya Institutional Plan Services, LLC ("VIPS"). Neither VRIAC nor VIPS engage in the sale or solicitation of securities. If custodial or trust agreements are part of this arrangement, they may be provided by Voya Institutional Trust Company. All companies are members of the Voya® family of companies. Securities distributed by Voya Financial Partners, LLC (member SIPC) or other broker-dealers with which it has a selling agreement. All products or services may not be available in all states.
